As free-range hens continue to be housed for their own protection due to avian flu, the British Egg Industry Council has issued new labelling guidance that states all free-range eggs will be labelled as barn eggs from the 1st of February 2023. This will continue until the birds are housed outside again.

**The small print:** (V) means that these meals do not contain meat or fish. (GF) means that these meals do not contain gluten (VE) means that these meals are produced without using animal products.

We will endeavour to serve you your meal quickly but when the pub is very busy your food may take a little longer for our chefs to prepare. Fish dishes may contain small bones. Some products may contain nuts. If you require any information regarding allergens on our menu, please seek advice from one of our team members.

All weights quoted are appropriate before cooking. Metric weight equivalent 10oz – 284g, 8oz – 227g, 6oz – 170g. All items on this menu are subject to availability.

Prices include VAT at the current rate. To the best of our knowledge, none of the food we sell on our menus contains GM soya or maize ingredients.

We hope you enjoy your visit and welcome any comments you have concerning our food or drink.

We accept the following forms of payment: Contactless, MasterCard, Visa, Apple Pay, Android Pay
